Recommended Tree Species

§31–11.1 Recommended Tree Species List

- A. Tree species used for afforestation or reforestation shall be native to the Maryland's Eastern Shore, when appropriate, and selected from a list of approved species established by the Department.
- B. The Department shall adopt a list of tree species to be used for any required afforestation or reforestation and incorporate it into the Department's Forest Conservation Technical Manual. The Town of Easton's Zoning Code provides a list of tree species to be used for any required afforestation or reforestation.
