Mr. Atwood called the meeting of the Planning & Zoning Commission to order at 1:00 p.m. The first order of business was the approval of the minutes of the Commission's May 16, 2013 meeting. Upon motion of Mrs. Cheezum seconded by Mr. Hilderbrandt the Commission voted 4-0 to approve the minutes.

Mr. Thomas provided the Commission with the **Annual Report** and asked the Commission to review their biographies and if changes are needed to let him know. Mr. Thomas explained the final document will be sent to the State (MD Department of Planning) with a copy filed with the Town Council. Upon motion of Mrs. Cheezum, seconded by Mr. Hilderbrandt the Commission voted 4-0 to approve the Annual Report.

The next item discussed was the **Dutchman's Lane/Rt.50 intersection**. The Commission discussed the continuing traffic accidents that are occurring at this intersection and the importance of working with the State Highway to find a solution to make the intersection safer. Mr. Hilderbrandt suggested a red/green arrow to help traffic cross the intersection safely. Mr. Smith has been in contact with the State Highway and they are investigating the issue.

There being no further business the meeting was adjourned at 1:15 p.m. by motion of Mr. Hilderbrandt, seconded by Mrs. Renshaw.

Respectfully submitted,

Stacie S. Rice
