311.2 POLICY

The Easton Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

311.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

311.4 INVESTIGATIONS

The following guidelines shall be followed by officers when investigating domestic violence cases to protect the victim from harm (Md. Code FL § 4-502(a)(2)):

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries shall be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. - (f) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (g) Seize and remove any firearms upon a consent search or in plain view if appropriate and legally permitted. The officer shall provide information to the owner on the process

of retaking possession of the firearm. The Department shall then provide safe storage during the pendency of any domestic violence proceeding (Md. Code FL § 4-511).

When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (i) Officers shall take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence or abuse.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the violence or abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).

311.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state (Md. Code FL § 4-508.1(b)).

- (c) Contact the issuing court to verify the validity of the order.

If a respondent surrenders a firearm to the Department under a temporary or final court order, the officer shall provide the respondent information on the process for retaking possession of the firearm. The officer shall transport and store the firearm in a protective case, if one is available, and in a manner intended to prevent damage to the firearm during the time the protective order is in effect (Md. Code FL § 4-506.1).

If a defendant in a criminal case who is ordered to surrender firearms pursuant to Md. Code CP § 6-234 transfers a firearm to the Department, the officer receiving the firearm shall issue the person transferring the firearm a written proof of transfer containing:

- (a) The name of the person transferring the firearm.
- (b) The date the firearm was transferred.
- (c) The serial number (or identifying marks if the firearm was manufactured before 1968), make, and model of the firearm.
