The Easton Police Department wins award

On September 14th the Easton Police Department will receive a first place award for its participation in the Maryland Law Enforcement Challenge. The award is given to the agency that demonstrates the greatest effort to improve traffic safety in their jurisdiction through enforcement, awareness, and education. The Easton Police Department competes against agencies of similar size in Maryland.

The Easton Police Department recognizes that this achievement could not be possible without the assistance and cooperation of numerous local businesses, schools, radio, television and other supportive partners. Thanks for helping us have another successful year.
